## Hebrew Immersion Program (HIP) Caulfield South Primary School

Must be enrolled at school Prep - Year 6

HIP provides a dynamic and rigorous Hebrew language education which aims to develop strong speaking, listening, reading and writing skills. Students also learn about Israeli culture. HIP graduates are equipped to continue studying Hebrew at secondary school level.

HIP is currently running in 5 government primary schools, with more schools to start in the near future. This program is open to all students in the school at which the program runs.
